EDITOR'S NOTEBOOK

Dear Archie Readers,

The holidays may be over for Archie and his friends, but winter is still here. With that in mind, we've come up with some stories guaranteed to make you "chill out." Let's see what's in store for our tumultuous teenagers next month.

ARCHIE & FRIENDS #34 April - I don't know about you, but I like gadgets. Now Dilton Doiley is Riverdale's "Gadget Guru." In a story called "That's Snow Business," Dilton has invented an "Enhancer" that can amplify the output of any mechanical device. The plot thickens when a ski trip for the gang is canceled, due to lack of snow. However, Reggie has other ideas. This is his big chance to be with Midge, while Moose is out of town and he isn't about to blow this opportunity. So, he borrows Dilton's enhancer and hooks it up to the snow-making machine at the ski lodge. Everything starts out all right, but when it goes out of control...well, if I give away the end, I'd spoil the surprise.

ARCHIE #482 April - Archie decides to take up stunt snowboarding when he sees big bucks being paid by a snowboard company for stunt photos. When he has to go up against some stiff competition, Archie finds out that sometimes "Losers Can Be Winners." Also, in this issue, Archie applies for a job as a waiter in one his favorite Italian restaurants. The owners, aware of Archie's reputation as a "klutz," are desperate, since no one else has applied for the job. Each time Archie has to deliver an order, everyone holds their breath, in anticipation of an upcoming disaster. Hence the title, "Waiting To Exhale." Pretty clever, don't you think?

BETTY & VERONICA #134 April - You're in for a treat with this issue, which features a two-part story written by Barbara Slate, with art by Dan DeCarlo. It's called "Fashion Fling." When Veronica returns from a "boring" fashion show in New York, she decides to do her own fashion designing. Believe it or not, she comes up with some pretty nice stuff. But when Betty sees Veronica's sketches, she informs her that these designs are nothing new. She's seen them before. Veronica goes back to the drawing board and realizes that coming up with fresh, new ideas is not as easy as it looks. The end of this story won't shock you, but you'll be glad you read it.

CHERYL BLOSSOM #21 April - Welcome to "Sugar World," where everyone loves the famous Sugar Girls singing group. But sometimes all is not so sweet, especially when one of the Sugar Girls drops out of the group. This is one opportunity Cheryl can't pass up. She decides to audition for a chance to be the next Sugar Girl. Is Cheryl finally going to boost her musical career into fame and even more fortune? Or will she wind up taking her "lumps" as a Sugar Girl wannabe? This issue is everyone's cup of tea. Don't miss it.
